For Immediate Release
Re: Public Works Welcomes New Superintendent

Please join us in welcoming our new Superintendent of the Public Works Department – Darryl Marcott. After much consideration and consultation with Town Council, Darryl has accepted this new position with the Town of Trenton, effective immediately.

This is not an entirely new role for Darryl as he has previously stepped in to fill this vacancy on multiple occasions. Most recently covering the supervision of the Public Works Department while continuing the efforts of Rink Manager since May 17 of this year.

Darryl is a long-serving Trenton employee having been with the Town for the past 28 years. He has been an integral part of the senior management team since 2011 when he took on the role of Rink Manager at the Trenton Minor Sports Community Centre.

We look forward to continuing our working relationship with Darryl in this new capacity and wish him all the best on this new adventure with the Town of Trenton!

Respectfully,

Mayor Donald Hussher & Trenton Town Council
