Outstanding Residents  
June 2022:**

*The Earle Family*

It is our pleasure to recognize the Earle Family this month as we continue celebrating Outstanding Trenton Residents!

In 1964, Joe Earle organized a free running event for all ages in Trenton, & since then the younger generations of the Earle family have dedicated countless hours to the races. For over 50 years, the Earle's have carried on this tradition that sees hundreds of runners from across the province and beyond participate in a family activity. What makes these races unique is their family orientation with both low & high competitions for all ages.

After a brief hiatus due to Covid, the Joe Earle Memorial Road Races were back in full swing this past May to celebrate their 56th year with Joe Earle's grandchildren at the helm! Although this event happens on Victoria Day in May, the Earle's work year-round to make this event a success including fundraisers to raise money so participants never have to pay to run. This was a wish of Joe Earle and one the family has been determined to see continue.

Congratulations to the Earle's & thank you for being an Outstanding Trenton Family! The Earle Family will receive a gift card for a local business as a small token of our appreciation.
