

**YOU ARE
AMAZING**

**TOWN OF TRENTON
Outstanding Resident
July 2022:**

Alison Smith

It is our pleasure to recognize Alison Smith this month as we continue celebrating more Outstanding Trenton Residents!

Alison has been the Chair of the Friends of Trenton Park Society for more than 13 years, stepping in at a time when they needed to rebuild their volunteer base, and spearheaded various projects including an annual Park clean-up and Trenton Park Bluegrass Festival (2009). Alison has been a staple volunteer at the Friend's events held at Trenton Park over the years and helps keep it going to this day!

Alison is also a longtime volunteer with Pictou County Special Olympics, and has spent her time volunteering with numerous organizations over the years including the Trenton Home and School Committee and the Pictou County YMCA. She was also a long serving executive member of the Trenton FunFest committee serving as both secretary and chairing numerous festival events.

Congratulations Alison & thank you for being an Outstanding Trenton Resident! Alison will receive a gift card for a local business this month as a small token of our appreciation.
