**Outstanding Residents**  
**October 2022:**

*Cheri & Chuckie*  
*MacInnis*

It is our pleasure to recognize Cheri and Chuckie MacInnis this month as we continue celebrating Outstanding Trenton Residents!

Cheri and Chuckie are both lifelong residents of Trenton who are always willing to lend a helping hand, from helping care for neighbors' lawns to supporting Town events and fundraisers, and assisting with electrical work at the Scotia Park ball field. For several years now, they have raised funds to support the Cancer Sucks Cup in memory of Oliver (Ollie) Graham by having guests of their annual Trenton FunFest party donate to the cause.

As an uplifting surprise for Lailee Head after the devastating loss of her father, Trenton Firefighter Jeff Head, Chuck reached out to the Turnbull family in hope of having Pictou County's own Blayre Turnbull assist with a signed hockey jersey. Blayre came back with a jersey signed by the Canadian Women's Hockey team!

Cheri and Chuckie will receive a gift card for a local business this month as a small token of our appreciation.
