

**TOWN OF TRENTON**  
**Outstanding Residents**  
**November 2022:**

*Shirley MacMillan*

It is our pleasure to recognize Shirley MacMillan this month as we continue celebrating Outstanding Trenton Residents!

While she would be the first to point out the great volunteer work done by all of her team members, Shirley has been a pivotal member of our Trenton Heritage Society since our Town's 100th Anniversary Celebration. In 2013, Shirley was recognized, alongside husband Francis MacMillan, as the Town's Florence Gouthro Memorial Volunteer of the Year Recipients. Shirley was the driving force behind the Trenton Heritage Museum where you will still see her volunteering her time several days per week. During her time there, Shirley has compiled an extensive history of our Town through present day. She researched for both the First Pouring of Steel in North American and Glass Industry Historic Interpretive Panels now on Main Street. She worked hard to acquire a Provincial Heritage Grant so there would be no cost to the Town for the glass panel. Shirley is also one of the dedicated and valued members of our Town's Communities in Bloom Committee tending to the large planters along Main Street throughout the year and festive decorations for the Holiday Season.

Congratulations Shirley and thank you! She will receive a gift card for a local business as a small token of our appreciation.
