

**YOU ARE
AMAZING**

**TOWN OF TRENTON
Outstanding Residents
December 2022:**

Beverley McGuigan

It is our pleasure to recognize Beverley (Bev) McGuigan this month as we round out a full year of celebrating Outstanding Trenton Residents!

Bev was one of the founding members of the Women Alike Abreast A River Dragon Boat team. They started from the ground up, obtaining a dragon boat and all the necessary equipment, participated in many events, both locally and across the country. Bev took on the role of drummer and for many years participated in races near and far with her teammates, bringing awareness and support to many people.

Over the years, she has also spent her time volunteering with the IODE, Nearly New Shop, the Shepherds Lunch Room and Aberdeen Hospital Auxiliary just to name a few. Bev can always be counted on for quiet selfless support to family, friends and strangers alike.

Thank you Bev for giving so freely to your community and being such an outstanding person! Beverley McGuigan will receive will receive a gift card for a local business this month as a small token of our appreciation.
